Yavatmal Public School
SSC, Grade : 89.20%

Projects

My Portfolio site

4jul/23-6jul/23

- My Portfolio website is a reflection of my design aesthetics and attention to detail. With a clean layout, I have focused on creating a user-friendly interface that allows visitors to explore my project effortlessly.
- Tech-Used: Created this portfolio website with help of **HTML**, **CSS** and **JavaScript**. Further for making it responsive I've used Media Query.
- Site Link : <https://sid13portfolio.netlify.app>

MP-Toursim Site

2022-2023

- MP Tourism Site, a visually stunning tourism website designed to transport you to some of the most breathtaking and adventures destination near Madhya Pradesh.
- Created with a seamless blend of **HTML5** and **CSS**, also added youtube videos and few pictures.
- Site Link : <https://siddharth1913.github.io/TourismSite/>

Figma & Canva Designs

2022- 2023

- Developed figma design that aimed to make something visually appealing and easy to use.
- In **Figma** : I have developed a web page for shopping Nike Shoes. The layout is simple, with menu at the top that let user easily explore different categories.
- In **Canva** : Edited my First Youtube Video and also created thumbnail for it.
